

# BVSCU Mobile App is Getting an Upgrade

Exciting updates to your BVSCU mobile banking.

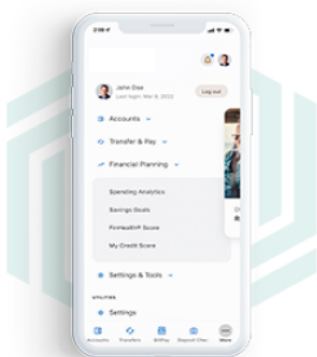

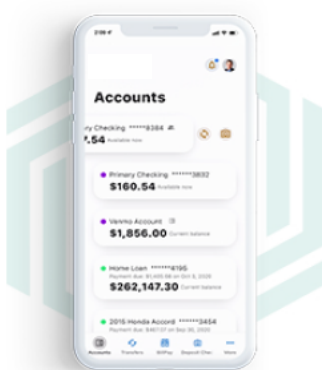

We've reimagined the app with a cleaner design and a simpler navigation flow that will help you easily accomplish your day-to-day mobile banking needs. Soon your BVSCU app will have a brand new look that will help you quickly and conveniently find access to key features and services so you can bank anytime, anywhere.

## Here's what you can expect with the refreshed app

### New Account Experience

Enjoy a new, modern look of your accounts that makes navigating through your transaction and account details much easier. Simply swipe the account cards to view quick action buttons that take you to your desired task.

### Simplified Navigation

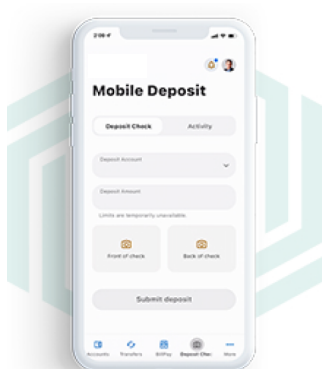

When you login, you'll notice a convenient bottom bar that displays a menu option to help you quickly find what you need. Select a category in this mobile menu and tap the desired item to access the tools and resources you rely on.

### Sleek Mobile Deposit Design

Depositing a check has never been easier. Toggle your view on the redesigned Mobile Deposit screen to Deposit a Check or glance at your Activity.

### Overall Improved Look and Feel

Experience an enhanced look and feel, and easy to follow navigation path that gives you access to key functions throughout the app with just a few taps.

### Download the BVSCU App

The reimagined app is on its way. Get ready by downloading the BVSCU app available today on both App Store and Google Play. Turn on automatic app updates to ensure you have access to the latest features as they're made available!
