

Send money to anyone you want - whenever you want!

Use our P2P (Person-to-Person) payment service in online banking and our mobile app to make payments to anyone, anytime. All you need is their email address!

It's quick and easy to use - just fill in the person's email address in the P2P portal of our BVSCU smart phone app or our online banking platform on your PC.

The recipient will receive an email with instructions on how to receive payment. The recipient will be able to choose how they wish to receive their funds into their own bank account or even faster using a debit card.

This service is FREE to BVSCU members and available on your PC and on both Android and iPhone devices inside the BVSCU smart phone app.
